Connect to Your Audience With a FREE Local Business Profile

Let your customers enjoy on-demand rides to your business.

The **Ride Freebee App** is designed to be a complete neighborhood directory for each municipality, providing FREE profiles to all local business partners, connecting passengers with their community through our mobile platform.

Vehicle Wraps

The ONLY ad that people can't scroll past.

A wrapped Freebee is a rolling billboard through the exact neighborhood where your walk-in customers already live.

10K+ DAILY OOH IMPRESSIONS*

In-App Advertisements

Put your business front and center in the communities where potential customers already are.

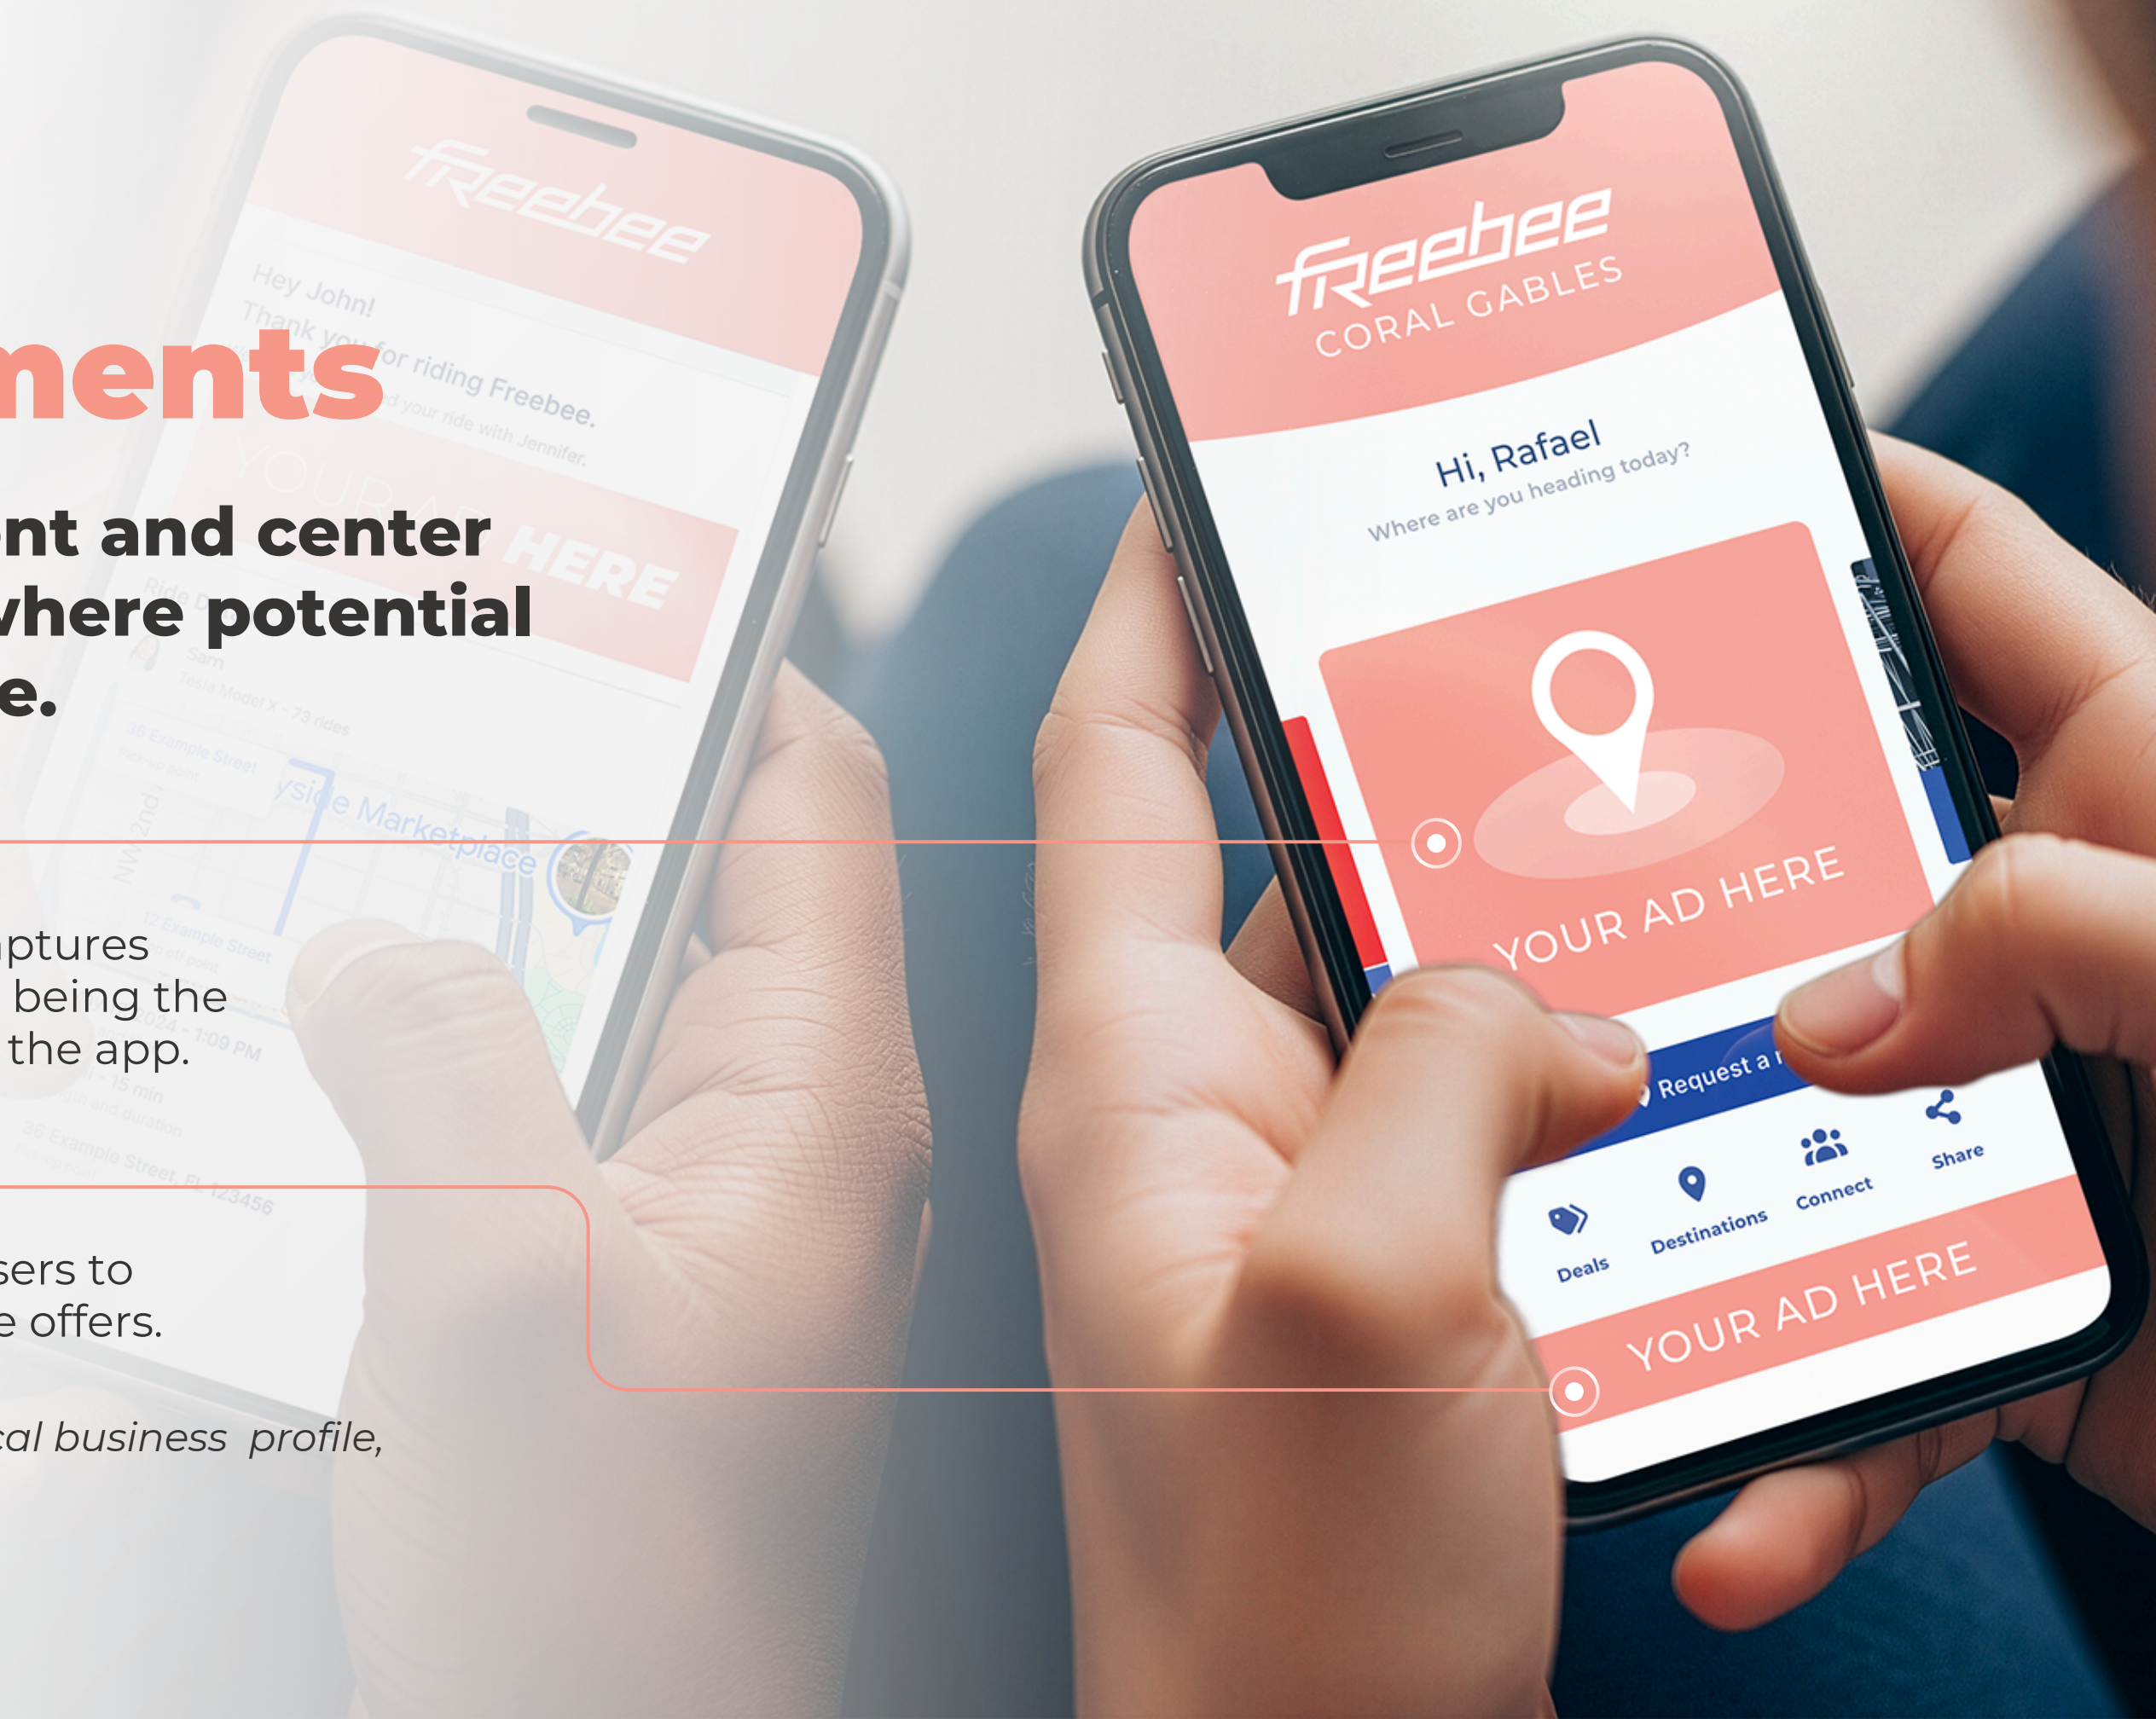

Homescreen Carousel

Rotating carousel of up to 4 ads captures the attention of our passengers by being the first thing users see upon opening the app.

Mobile Banner

High-visibility placement routes users to external landing pages or exclusive offers.

***Both placements can link to your local business profile, your website, or a landing page.*

Deals

Drive traffic to your business through exclusive offers and promotions!

Incentivize our riders through offering deals that are only redeemable within the Freebee app.

In-Vehicle TV Screens

**Boost your business's ad
viewability.**

Video options for passengers are perfect for storytelling, product launches, and brand awareness.

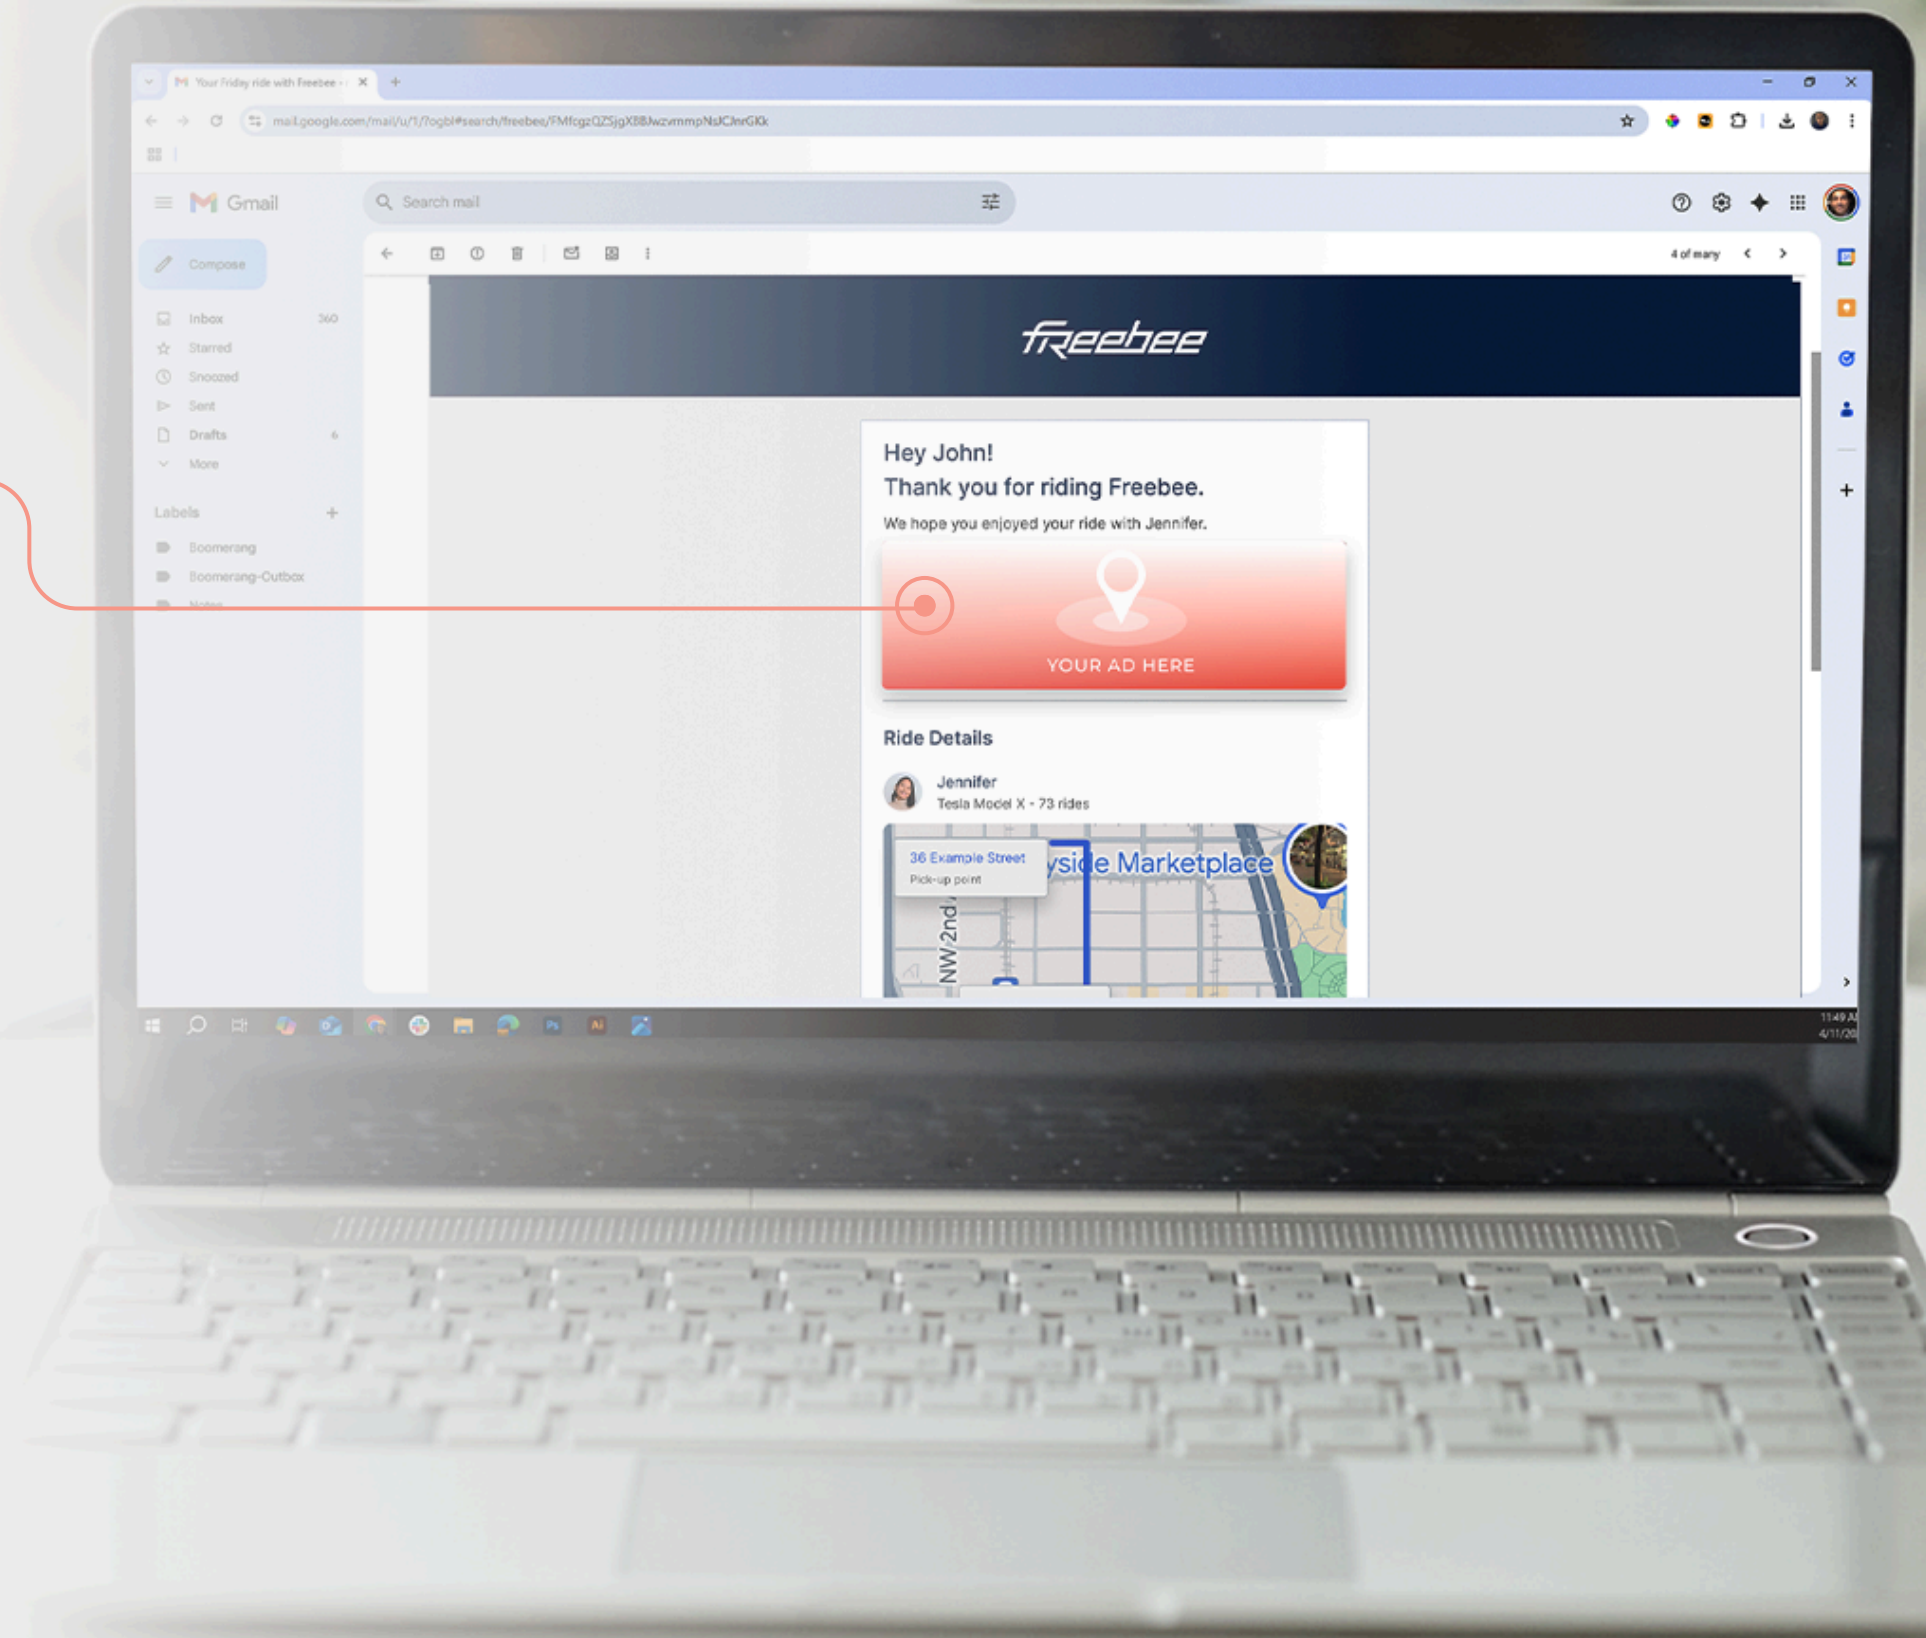

End-of-Ride Emails

Extend Your Impact.

Reinforce your brand's message with clickable ad formats driving to offers, landing pages, etc.

Capture attention at a natural pause point, when your audience is most likely to convert.
